HISTORY

Intermediate and Senior Divisions (Grades 9-13)

Tuesdays, 11.00 to 11.30 a.m.

As the titles of the broadcasts indicate, the American method of electing a President and the powers conferred on him constitute the central theme. But the series serves a double purpose. It is designed not only to clarify many of the intricacies of the American system, such as primaries, national conventions, the electoral college, but also to throw into sharp relief the manner which the Canadian Prime Minister is chosen and the powers with which he is invested. A liberal use of recordings will further illuminate the discussion. Pupils will participate in a brief question period toward the close of each broadcast.

The host-moderator will be Professor Paul Fox of the Department of Political Economy, University of Toronto; the authority on American procedure, Mr. Lawrence E. Laybourne, Managing Director in Canada for Time Magazine; the authority on the Canadian system, Professor Saywell, Department of History, University of Toronto.
